Comments

The pending statuses will be resolved as soon as the state of emergency in Spain and Mexico are lifted. Correspondingly, **ID Finance ES and MX** will update loan statuses on their end and payments that are due to investors will be made. Mintos and ID Finance Spain and Mexico are closely monitoring developments in Spain and the decisions regarding the moratorium.

Following the reconciliation process of the **IDF Eurasia** and Mintos systems, most of the IDF Eurasia pending payments have decreased.
Due to the complexity of this transaction, the share of remaining pending payments will be reduced in the near future. Mintos and IDF Eurasia are working together on this project.

There is a technical discrepancy for **Fireof ES** that is related to a single installment of a particular loan, there is an ongoing investigation on what has caused the error. The issue should be cleared in the next 7 days.
